refrigerators and freezers

Follett must be advised of any requirements regarding proof of COVID-19 vaccination or proof of a negative COVID-19 test within 48 hours of entry into the premises for contractors.

Authorized installation and start-up

TechTrans will deliver the specified equipment to the point of use, uncrate and set in place, install casters or levelling legs and shelves/drawers (if required), complete set-up to ensure the unit is working fully, and remove and discard all debris. The installation team is not authorized to troubleshoot or provide service (see reverse for standard terms and conditions).

NOTE: This service is not available without a completed and signed Follett site survey², form# 8285. Please return completed site survey with purchase order.

Service includes:

- uncrate and unpack unit
- install casters or leveling legs
- install accessories, including but not limited to shelves, drawers, stacking kits, and pedestals, if applicable
- position unit in final point of use, as directed by user
- plug in the unit⁴
- prepare and install glycerine solution and insert temperature probe in product simulation bottle(s)
 NOTE: REF 50/50 and FZR 60/40 glycerine/water mix
- secure battery connections, if applicable
- check door sag and tension, adjust as needed
- confirm door gasket seal
- set time and date in the controller
- change temperature display to Fahrenheit, upon user request
- adjust high and low temperature alarm settings, upon user request
- confirm unit is fully operational
- review operational procedures with user
- deliver operation and service manual to user
- remove all shipping and packing debris from site

⁴ See terms and conditions, item 4, for electrical requirements.

¹ Authorized services available only with TechTrans freight and does not include dock-to-dock common carrier freight charges.

² If you are unable to complete the site survey, this service is available through TechTrans for \$150.

³ Dock-to-dock common carrier freight charges provided as separate line item.

FOLLETT AUTHORIZED SERVICES STANDARD TERMS AND CONDITIONS

Installation services are provided by Follett's authorized logistics partner. Please note the installation team is not authorized to troubleshoot or provide service to the unit(s), or recommend temperature or alarm settings for the unit(s). For additional support, please contact Follett Products, LLC at 800.523.9361 or your local sales rep.

Authorized Service quotation assumes the start-up and/or installation site is prepared as follows:

- 1. All halls, doors and path to the final installation location must provide free and clear access.
- 2. This service offering does not cover special validation processes required by 3rd party organizations.
- 3. Site conditions, i.e., ceiling height, cabinet clearances, clearances to walls, structures, adjacent equipment, etc., will be in accordance with Follett's specifications.
- 4. Dedicated NEMA-5 120 V/60 Hz receptacle is required within 5 feet of the final point of use. See requirements below:
 - Countertop refrigerator or freezer 15 Amp circuit
 - Undercounter refrigerator or freezer 15 Amp circuit
 - Single door upright refrigerator 15 Amp circuit
 - Single door upright freezer 20 Amp circuit
 - Double door upright refrigerator 20 Amp circuit
- 5. Should the installation site not be ready when Follett or the installer arrives, any additional expenses will be charged to the customer.
- 6. Acquisition and cost of permits, inspections, variances, etc., are not included in this quotation and will be the responsibility of others.
- 7. Reinforcement of walls, floors, or modifications to any structural or functional item that needs to be completed to facilitate the installation of the Follett equipment will be the responsibility of others.
- 8. Special installation items, materials, or conditions required by local, municipal, or state codes are not included in this quotation and are the responsibility of others.
- 9. Special anchors, hurricane ties, seismic anchoring, etc. and labor that may be required for securing are the responsibility of others.
- 10. Follett or the installer reserves the right to decline services, materials, labor, etc., that will create or require Follett or the installer to work in an unsafe environment.
- 11. Follett or the contractor is not responsible for acts of God, fire, weather, theft, or vandalism that result in additional charges not included in this quotation.

refrigerators and freezers
