Terms and policies

Terms

- Products for sale meet all regulatory compliances as noted in the appropriate Follett Product Specification Sheet at the time of sale. Customer understands and accepts these products as meeting the designated regulatory compliances.
- Net 30 day terms on approved accounts
- Prices subject to change without notice
- Specifications subject to change without notice
- This price list supersedes all others
- **All prices in euros**
- **Products priced with EX Works (EXW) terms**
- **Other shipping terms available upon request**

Return Policy

Non-standard equipment cannot be returned. Orders for non-standard equipment cannot be cancelled.

Follett equipment may be returned for credit under the following conditions:

- The equipment is new and unused.
- A return authorization number has been issued by customer service within 45 days after shipment.
- Follett receives the equipment at the factory in Pruszcz, Poland within 30 days after issuance of the return authorization number.
- The equipment must be returned in Follett packaging. If the packaging has been damaged or discarded, Follett will forward new packaging at the customer's expense.

Note: Return freight charges are the responsibility of the customer. If equipment is returned and is damaged because of improper packaging, Follett Products, LLC will not be held responsible.

Credit will be issued when the equipment has been inspected by Follett and deemed suitable to be returned to stock.

Note: 20% restocking charge will be deducted from the credit. If the cost to return the product to stock exceeds 20%, the actual cost will be deducted

Follett offers ice storage, dispensing and transport solutions in capacities and sizes to meet nearly every need, with features that can make your ice management easier, safer, and more sanitary.

Warranty

Ice storage and transport systems (ITS); single and double door upright bins; and single and double door Ice•Device™ chuted bin and cart systems

Follett Products, LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for corrosion repair within this 5 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

All other integral components are covered against defects in material and workmanship under normal use and service for 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 5 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Slope front bins

Follett Products, LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for corrosion repair within this 3 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

All other integral components are covered against defects in material and workmanship under normal use and service for 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Ice transport carts; Totes™ ice carriers; ice shovels; ice probes; ice rakes

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in materials and workmanship under normal use and service for a period of 2 years from date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts within this 2 year period are covered under this warranty. Labor required for repair within a 1 year period is covered under this warranty.

WARRANTY CONDITIONS

- Labor warranty will apply only to equipment sold by the Follett Authorized Distributor in his designated territory.
- Warranty labor must be performed by the local Follett Authorized Distributor or his designated service provider.
- The equipment has been installed and operated in compliance with instructions provided by Follett.
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond Follett's control are expressly excluded from this warranty.
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination.
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 80 km (50 miles), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner.

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship.

Follett Products, LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett USA technical service at +1 (610) 252-7301 or Follett Europe technical service at +48 (58) 785-6140, Fax +48 (58) 785-6159.

Ice storage and transport systems (ITS)

Elevated bin and cart systems use gravity-assist ice removal and castered carts to deliver outstanding labor and safety benefits. All models are equipped with poly liners, SmartGATE® ice shield, and poly door with PowerHinge™ door hinge component. Each unit is standard with bin, base, cart(s) with lid, and ice paddle. Full stainless exterior and base. Insulated cart is one-piece molded polyethylene with removable poly lid.

For additional product information, request form# 2915 and 9130.

Follett offers ice storage, dispensing and transport solutions in capacities and sizes to meet nearly every need, all with features that can make your ice management easier, safer, and more sanitary.

Warranty

Single door upright bins and single door Ice•Device™ chuted bin and cart systems

Follett Products, LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for the useful life of the product. Parts and labor for corrosion repair are covered under this warranty.

All other integral components are covered against defects in material and workmanship under normal use and service for a period of 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 5 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Ice storage and transport systems (ITS); double door upright bins; and double door Ice•Device™ chuted bin and cart systems

Follett Products, LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for corrosion repair within this 5 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Ice transport carts; Totes™ ice carriers; ice shovels; ice probes; ice rakes

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in materials and workmanship under normal use and service for a period of 2 years from date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts within this 2 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

WARRANTY CONDITIONS

- Warranty labor must be performed by the local Follett Authorized Distributor or his designated service provider.
- The equipment has been installed and operated in compliance with instructions provided by Follett.
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond Follett's control are expressly excluded from this warranty.
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination.
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 80 km (50 miles), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner.

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship.

Follett Products, LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Ice storage and transport systems (ITS)

Elevated bin and cart systems use gravity-assist ice removal and castered carts to deliver outstanding labor and safety benefits. For use with Chewblet, cube or flake ice. All are equipped with poly liners, SmartGATE ice shield, and poly door with PowerHinge door hinge component. Each unit is standard with bin, base, SmartCART 240 ice cart (1, 2 or 3 depending on the number of bays) with lid and ice paddle. Full stainless exterior and base. Insulated cart is one-piece molded polyethylene with remove poly lid.

For additional product information, request form# 9130.
