Terms and policies

Terms

- Products for sale meet all regulatory compliances as noted in the appropriate Follett Product Specification Sheet at the time of sale. Customer understands and accepts these products as meeting the designated regulatory compliances.
- Net 30 day terms on approved accounts
- Prices subject to change without notice
- Specifications subject to change without notice
- This price list supersedes all others
- **Pricing is in USD**
- **Products priced with EX Works (EXW) terms**
- **Other shipping terms available upon request**

Return Policy

Non-standard equipment cannot be returned. Orders for non-standard equipment cannot be cancelled.

Follett equipment may be returned for credit under the following conditions:

- The equipment is new and unused
- A return authorization number has been issued by customer service within 45 days after shipment
- Follett receives the equipment at the factory in Easton, PA within 30 days after issuance of the return authorization number
- The equipment must be returned in Follett packaging. If the packaging has been damaged or discarded, Follett will forward new packaging at the customer's expense.

Note: Return freight charges are the responsibility of the customer. If equipment is returned and is damaged because of improper packaging, Follett Products, LLC will not be held responsible.

Credit will be issued when the equipment has been inspected by Follett and deemed suitable to be returned to stock.

Note: A 20% restocking charge will be deducted from the credit. If the cost to return the product to stock exceeds 20%, the actual cost will be deducted.

Medical-grade refrigerators and freezers

Follett medical-grade refrigerators and freezers provide the consistent, stable temperatures and access security required for patient floor, lab and pharmacy applications. Heavy-duty compressors and powerful forced-air cooling provide exceptional temperature consistency, quick temperature pull down and rapid recovery following door openings.

Follett medical-grade countertop, undercounter (Performance Plus and Edge Series™) and upright refrigerators and freezers (including Infinity Series™)

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty.

The compressor shall be covered for an additional 3 years (parts only), for a total of 5 years from the date of installation.

Follett Advantage® undercounter refrigerators

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 1 year from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 1 year period are covered under this warranty.

FOLLETT WARRANTY CONDITIONS

- Warranty labor must be performed by the local Follett authorized service provider
- The equipment has been installed and operated in compliance with instructions provided by Follett
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship.

Follett Products, LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett Products, LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Follett authorized installation services

Authorized installation

Equipment is shipped via Follett logistics partner¹, delivered to customer's facility, and positioned in final customer-designated location by certified technicians. Certified Follett technician will remove and discard all packaging material, install casters, make all electrical connections, and complete set up to ensure the unit is fully operational and ready to be used by customer.

For additional product information and terms and conditions, request form# 8620.

¹ Authorized services available only with Follett contracted logistics provider and does not include dock-to-dock common carrier freight charges.

Ice and water dispensers

Follett ice and water dispensers are chosen by more healthcare facilities than any other brand for good reason. We offer the industry's largest selection, with more than 30 sizes and configurations to meet the needs of virtually any application. Designed specifically for healthcare, Follett dispensers offer 12, 25, 50 or 90 lb of storage in attractive, space-saving cabinets, with customer-valued features, exceptional reliability, and after-the-sale service and support.

Warranty

Symphony Plus™ ice and water dispensers

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 3 year period are covered under this warranty. For products sold outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

The compressor shall be covered for an additional 2 years (parts only), for a total of 5 years from the date of installation.

WARRANTY CONDITIONS

- Warranty labor must be performed by the local Follett authorized service provider
- The equipment has been installed and operated in compliance with instructions provided by Follett
- Customer has documented record of preventive maintenance and cleaning of the machine every 6 months according to the instructions in the dispenser Installation, Operations and Service Manual
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship.

Follett Products, LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett Products, LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Symphony Plus ice and water dispensers – 12 series

Countertop and wall mount ice and water dispensers with 12 lb (5.4 kg) of storage. Integral ice machine produces up to 425 lb (193 kg) of ice per day. E12CI models are not for use in the United States.

All models feature stainless steel cabinet with accent trim. Water station included. Choose appropriate item number for SensorSAFE infrared dispensing or lever dispensing. Wall mount models only available with SensorSAFE infrared dispensing.

For additional product information, request form# 1070 for 12CI models, 1071 for 12HI models, or 1000 for E12CI models.

12 series accessories

Ice machines

Compact, reliable Chewblet® extruded ice and flake ice machines in a variety of sizes to meet your needs. Choose from top mount or RIDE model configurations (extruded only).

Warranty

Maestro Plus™ and Horizon Elite™ series ice machines and remote condensing units

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 3 year period are covered under this warranty. For products sold outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

The compressor shall be covered for an additional 2 years (parts only), for a total of 5 years from the date of installation.

WARRANTY CONDITIONS

- Warranty labor must be performed by the local Follett authorized service provider
- The equipment has been installed and operated in compliance with instructions provided by Follett
- Customer has documented record of preventive maintenance and cleaning of the machine every 6 months according to the instructions in the dispenser Installation, Operations and Service Manual
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship.

Follett Products, LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett Products, LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Maestro Plus Chewblet and flake ice machine bins – 400 series

Flake (UF) or Chewblet® (UM) ice machines with 75 lb (34 kg) of bin storage for undercounter or freestanding applications.

Stainless steel exterior with moderate production and storage capacity in a small footprint.

Maestro Plus 414 RIDE installation kits (required)

Item number	Description	List price
Countertop ice and beverage dispenser and ice storage bin installations		

Top mount ice machine **requires stainless steel top kit**, sold separately. See top kit charts on page 39 for top kit numbers.

RIDE ice machines include 20' (6.1 m) of insulated ice transport tube and universal RIDE model adapter kit (item# 01054444). Factory approval required for ice transport tube lengths over 20' (6.1 m). See below for approved dispensers. All dispensers must be configured for nugget ice. See dispenser manufacturer for appropriate nugget ice kits, if required.

Refer to page 45 for available ice storage bin capacities and sizes.

01558824	Installation kit for Maestro Plus ice machines filling countertop ice and beverage dispensers and ice storage bins. Includes 20' (6 m) of ice transport tube.	\$645

Ice storage, ice transport and ice handling

Follett offers ice storage, dispensing and transport solutions in capacities and sizes to meet nearly every need. All with features that can make your ice management easier, safer, and more sanitary than you ever thought possible. Please visit www.follettice.com for more bin models than listed here.

Warranty

Slope front bins

Follett Products, LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for corrosion repair within this 3 year period are covered under this warranty.

All other integral components are covered against defects in material and workmanship under normal use and service for 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. For products sold outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

WARRANTY CONDITIONS

- Warranty labor must be performed by the local Follett authorized service provider
- The equipment has been installed and operated in compliance with instructions provided by Follett. All 3rd party ice machines must be installed and operated in accordance with the manufacturer's instructions
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond Follett's control are expressly excluded from this warranty
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship.

Follett Products, LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett Products, LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Slope front bins

Small to medium capacity ice storage bins. Bin exterior for all models includes stainless steel front and sides. Bin interior includes polyethylene-lined walls and stainless steel bottom. All bins include stainless top, which is custom cut for ice machine(s) and 6.00" (15.24 cm) plastic adjustable legs.

For additional product information, request form# 9135.

Slope front bin

Item number †	Max. bin cap. lb (kg)	Width in (cm)	Depth in (cm)	Height w/ legs in (cm)	Req'd door access in (cm)	Approx. ship wt lb (kg)	List price
