Terms

- Products for sale meet all regulatory compliances as noted in the appropriate Follett Product Specification Sheet at the time of sale. Customer understands and accepts these products as meeting the designated regulatory compliances.
- Net 30 day terms on approved accounts
- Prices subject to change without notice
- Specifications subject to change without notice
- This price list supersedes all others
- **Pricing is in USD**
- **Products priced with EX Works (EXW) terms**
- **Other shipping terms available upon request**

Return Policy

Non-standard equipment cannot be returned. Orders for non-standard equipment cannot be cancelled.

Follett equipment may be returned for credit under the following conditions:

- The equipment is new and unused
- A return authorization number has been issued by customer service within 45 days after shipment
- Follett receives the equipment at the factory in Easton, PA within 30 days after issuance of the return authorization number
- The equipment must be returned in Follett packaging. If the packaging has been damaged or discarded, Follett will forward new packaging at the customer's expense.

Note: Return freight charges are the responsibility of the customer. If equipment is returned and is damaged because of improper packaging, Follett Products, LLC will not be held responsible.

Credit will be issued when the equipment has been inspected by Follett and deemed suitable to be returned to stock.

Note: A 20% restocking charge will be deducted from the credit. If the cost to return the product to stock exceeds 20%, the actual cost will be deducted.

Ice machines

Compact, reliable Chewblet® ice and flake ice machines in a variety of sizes to meet your needs. Top mount or RIDE® (ice-through-a-tube) configurations available. Follett's unique Ice Manager™ diverter valve system allows the use of ONE Horizon Elite™ ice machine with TWO storage units each up to 75 ft (22.9 m) away.

Warranty

Maestro Plus™ and Horizon Elite ice machines and remote condensing units, Ice Manager diverter valve system

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 3 year period are covered under this warranty. For products outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

The compressor shall be covered for an additional 2 years (parts only), for a total of 5 years from the date of installation.

Note: Marine units carry 2 year parts warranty and a limited 2 year labor warranty. Labor will be covered provided Follett receives 72 hours notice to perform service and service is provided at a port located in the 48 contiguous states.

WARRANTY CONDITIONS

- Warranty labor must be performed by the local Follett authorized service provider
- The equipment has been installed and operated in compliance with instructions provided by Follett
- Customer has documented record of preventive maintenance and cleaning of the machine every 6 months according to the instructions in the Installation, Operations and Service Manual
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship.

Follett Products, LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett Products, LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Maestro Plus Chewblet and flake ice machine bins – 414 series

Flake (UF) or Chewblet* (UM) ice machines with 75 lb (34 kg) of bin storage for undercounter or freestanding applications.

Stainless steel exterior with moderate production and storage capacity in a small footprint.

For additional product information, request form# 1009.

See page 14 for additional accessory information.

Ice Manager diverter valve system

For use with Horizon Elite ice machines for automatically filling two dispensers or bins.

For additional product information and approved bins and dispensers, request form# 1050.

Standard equipment includes the following. Select one IMDV-2CM option from Section 1 and two transport tube lengths from Section 2.

Section 1: Select one of the following IMDV-2CM options (includes control panel, diverter valve and two sensor distribution units).

Item number	Description	List price
01547975	For two bins or dispensers ¹	\$6,570
01562206	For one Vision ² ice and beverage dispenser and one bin or dispenser	\$6,570

¹ Select ice and beverage dispensers require top adapter kit, see table below.

² For each new or existing Vision ice and beverage dispenser you must order integration kit, item# 00185165 for VU155 models or item# 00185173 for VU300 models. Refer to form# 1050 for additional information.

Section 2: Select the ice transport tube length for each receptacle (two total).

Item number	Description	List price
01545755	10' (3 m) ice transport tube run	\$430
01562214	35' (10.7 m) ice transport tube run	\$1,400
01545789	80' (24.4 m) ice transport tube run	\$2,690

Top kit adapters for select ice and beverage dispensers ¹

Item number	Dispenser manufacturer	Dispenser model number ¹	List price
DVF30 ²	Coca-Cola ³	Freestyle 7000	\$630
DVF26	Coca-Cola ³	Freestyle 9100	\$605
DVP24 ⁴	Pepsi	Spire 3.0	\$630
DVP30 ⁴	Pepsi	Spire 5.0 / 4.1	\$630

¹ All ice and beverage dispensers utilize existing top except for Coca-Cola Freestyle 7000 and 9100 and Pepsi Spire 3.0 and 5.0, which require a top kit adapter.

² Top kit DVF30 also requires top adapter 46412 and ice kit 46430, which must be ordered from Coca-Cola.

³ Consult with Coca-Cola and Follett to qualify application prior to ordering.

⁴ Approved only for Pepsi Spire 3.0, 5.0 and 4.1 designed for top mount ice machines. Requires DVP24 top kit for 3.0 and DVP30 top kit for 5.0 and 4.1, ordered separately. For manual fill versions of Pepsi Spire 3.0, 5.0 and 4.1, contact factory.

Ice and water dispensers

Follett offers the industry's largest selection, with more than 30 sizes and configurations to meet the needs of virtually any application. Symphony Plus™ ice and water dispensers offer 12, 25, 50 or 90 lb of storage in attractive, space-saving cabinets with customer-valued features, exceptional reliability, and after-the-sale service and support. Champion® ice and water dispensers are the most compact models available.

Warranty

Symphony Plus ice and water dispensers

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 3 year period are covered under this warranty. For products outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

The compressor shall be covered for an additional 2 years (parts only), for a total of 5 years from the date of installation.

WARRANTY CONDITIONS

- Warranty labor must be performed by the local Follett authorized service provider
- The equipment has been installed and operated in compliance with instructions provided by Follett
- Customer has documented record of preventive maintenance and cleaning of the machine every 6 months according to the instructions in the dispenser Installation, Operations and Service Manual
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km) premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner

Champion ice and water dispensers

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship. Follett Products, LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett Products, LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Champion ice and water dispensers

Champion 7 countertop

Champion 7 undercounter

Champion 15 countertop

Optional base stand

Countertop and undercounter dispensers with integral air-cooled ice machine. Champion 7 models have a storage capacity of 7 lb (3.2 kg) and are designed to serve up to 50 people. Champion 15 models have a storage capacity 15 lb (6.8 kg) and are designed to serve up to 75 people. All models produce up to 125 lb (57 kg) of Chewblet compressed nugget ice in a 24-hour period.

For additional information on US and alternate voltage models request form# 1113 for 7CI/E7CI, 1114 for 7UC/E7UC/7UD/E7UD, or 1115 for 15CI/E15CI.

For additional information on Canadian models request form# 1113CAN for 7CI, 1114CAN for 7UC7UD/E7UD, or 1115CAN for 15CI.

See page 18 for additional accessory information.

Notes:

Intended for commercial use only. Follett can't guarantee freight carrier's ability to deliver to residential locations. Follett service providers may not be bonded to perform on-site warranty repairs in certain areas.

For use in applications with greater than 10 mg/l but less than 400 mg/l total dissolved solids in water and less than 100 mg/l hardness (either naturally occurring or treated with reverse osmosis or other hardness reducing technology). Not recommended for use with softened water.

Models with a Claris filter are recommended and provided at no extra charge.

Ice and beverage dispensers

Attractive low-profile ice and beverage dispensers with below-counter ice storage for a wide variety of foodservice applications. Perfect for beverage islands because visibility is not restricted. Models include QuickCARB™ beverage manifold so changing from carbonated to non-carbonated beverage is as easy as the flip of a lever.

Warranty

Vision™ ice and beverage dispensers

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. For products outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Note: Marine units carry 2 year parts warranty and a limited 2 year labor warranty. Labor will be covered provided Follett receives 72 hours notice to perform service and service is provided at a port located in the 48 contiguous states.

WARRANTY CONDITIONS

- Warranty labor must be performed by the local Follett authorized service provider
- The equipment has been installed and operated in compliance with instructions provided by Follett
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond the control of Follett are expressly excluded from this warranty
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship.

Follett Products, LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett Products, LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

Vision ice and beverage dispensers – VU155B series with integral ice water bath beverage cooling

Ice and beverage dispensers with undercounter ice storage. Dispensers are ready to accept 1 or 2 Follett RIDE model Chewblet ice machines, sold separately (see page 6, 9 or 10).

Standard equipment includes:

- Integral ice water bath beverage cooling
- 8 Cornelius UFB1 valves with QuickCARB manifold
- Keyswitch for valves
- 6.00" - 9.00" (15.24 - 22.86 cm) legs
- **10' (3 m) insulated ice transport tube for connection to Follett ice machine, sold separately.** Additional tubing or tubing for replacement ice machines or for multiple ice machines must be ordered separately. For additional tube lengths, see page 14. Maximum run length of ice transport tube is 75' (22.9 m). For transport tube lengths greater than 20' (6.1 m), order 30' (9.2 m) extension cable, item# 00939140 or 60' (18.3 m) extension cable, item# 00939157.

For additional product information, request form# 2780.

See page 28 for additional accessory information.

Blast chillers and shock freezers

Follett commercial blast chillers and blast freezers are designed to rapidly chill and shock freeze ingredients and prepared food down to safe temperatures, quickly.

THREE YEAR LIMITED PARTS AND LABOR WARRANTY

For three years from the date of shipment from the factory this warranty covers all parts and labor to repair or replace any part of the referenced Follett Products, LLC product (the "Equipment") that under normal use proves to be defective in materials or workmanship. This warranty is conditioned upon you promptly notifying Follett Products, LLC of any claims, and providing Follett Products, LLC with all data and information requested by Follett Products, LLC or its service agents in connection with such claims as well as all necessary access to your premises and the Equipment. All service provided by Follett Products, LLC under the above warranty must be performed by a Follett Products, LLC factory authorized servicer and dispatched from the factory, unless otherwise specified by Follett Products, LLC. Warranty labor is provided at straight time only.

LIMITED FIVE YEAR COMPRESSOR PARTS ONLY WARRANTY

For five years from the date of original purchase, Follett Products, LLC will cover the following parts only (no labor) if they prove to be defective under normal commercial use: compressor.

WARRANTY TERMS

These warranties apply only to Equipment installed in any one of the fifty states of the United States, the District of Columbia, or the ten provinces of Canada. The Equipment must be installed, operated, and maintained in accordance with Follett Products, LLC Brand User, Installation and Service Guides, copies of which were provided to you with the Equipment or otherwise will be furnished to you upon request. Further, this warranty applies only to Equipment shipped from the Follett Products, LLC facility after May 1, 2026 and purchased from an authorized dealer.

Except as provided in the Limited Warranty above, the Equipment is provided "as-is". Follett Products, LLC disclaims all other warranties, express, statutory or implied, including without limitation, the implied warranties of title, non-infringement, merchantability and fitness for a particular purpose. Follett Products, LLC does not warrant that the Equipment will meet your specifications or needs. You acknowledge that you are solely responsible for the selection of the Equipment and determining the suitability of the Equipment for your needs. The warranties only apply to the original purchaser and are non-transferable. Service must be dispatched from Follett Products, LLC to be eligible for warranty coverage. The warranties apply to units operated outside only if designed for outdoor use by model and serial number. Business instruction on how to use your product is not covered by these warranties. Food, beverage, and medicine loss are not covered by these warranties. Use of non OEM parts will void this warranty.

If the Equipment is located in an area where Follett Products, LLC factory authorized service is not available, you may be responsible for a trip charge or you may be required to bring the Equipment to a Follett Products, LLC factory authorized service location at your own cost and expense.

Units purchased after use as floor displays, and/or certified reconditioned units, are covered by the limited one year warranty only and no coverage is provided for cosmetic defects.

To maintain warranty coverage, all preventative maintenance procedures outlined in the Use and Care Manual must be followed.

Equipment that is not installed, operated and maintained in accordance with Follett Products, LLC's Use and Care Manual or other written materials provided to you by Follett Products, LLC or available for the Equipment (as may be updated by Follett Products, LLC from time to time, the "Manual"), a copy of which is provided to you with the Equipment or otherwise will be furnished to you upon request, is excluded from this warranty. This warranty does not apply to damage or failure which results, in

Follett Products, LLC's or its service agent's sole opinion, from failure to provide a suitable installation and operating environment (including power and HVAC if applicable) and facilities as prescribed by the Manual, misuse, abuse, accident or improper use, neglect, power failure or power surges (over or under voltage), or to damage or failure from flood, fire, lightning or other natural or man-made disasters, or other Acts of God, or to Equipment that has missing or altered serial numbers.

Modifications and Repair: Equipment that has been modified or altered by persons other than Follett Products, LLC's or its service agents, or Equipment that has had non-approved devices or connection items attached thereto, is excluded from coverage under this warranty. Repair of the Equipment by anyone other than Follett Products, LLC's or its authorized service agents will void all warranties on the Equipment.

Accessories: Accessories and parts (collectively "Accessories") that are consumed in the normal course of Equipment operation or maintenance are excluded from this warranty. Failure of or damage to Equipment or components from the use of non-approved cleaning chemicals, devices or processes is also excluded from this warranty.

Warranty Service, Exclusive Remedy

Follett Products, LLC will be solely responsible for determining whether or not the Equipment or any component thereof is defective. Defective components covered by this warranty will be repaired or replaced at Follett Products, LLC's option without charge to you and such repaired or replacement components will be covered by this warranty for the balance of the Warranty Period. Parts used in the repair of defective components and replacement components may be new, recovered or rebuilt. At its sole option, Follett Products, LLC may decide to replace defective Equipment covered by this warranty with new, recovered or rebuilt Equipment of equal or greater capability, and such Equipment will be covered by this Limited Warranty for the balance of the Warranty Period. Defective Equipment and components will become the property of Follett Products, LLC. This paragraph states Follett Products, LLC's sole and exclusive obligation and liability and your sole and exclusive remedy under this warranty. Follett Products, LLC shall not be responsible for a failure to provide warranty services due to causes beyond Follett Products, LLC's or its service agents' control.

Warranty Claims

Claims under this warranty must be reported to Follett Products, LLC under such reporting service as Follett Products, LLC may designate. Upon receipt of the claim and related information and preliminary verification that the claim is valid, Follett Products, LLC will promptly notify an authorized service agent to contact you and arrange for an on-site repair visit during the service agent's normal working hours. Any costs incurred by Follett Products, LLC or its service agent associated with a service agent being refused or unable to gain access to the Equipment on your premises, or a claim not covered by this warranty, will be charged to you.

Disclaimer of Damages

Follett Products, LLC disclaims all incidental, special and consequential damages, including but not limited to loss of use, lost revenue or profits, or substitute use, suffered by you or any third party, whether arising in contract, tort (including negligence), or otherwise, resulting from any breach by Follett Products, LLC or its service agents of this warranty, or resulting from the manufacture, use, or defects, of or in the Equipment, even if Follett Products, LLC was apprised of the possibility of such damages.

Customer Indemnity

You agree to indemnify, defend and hold Follett Products, LLC harmless from all third-party claims, demands, judgments, fees and costs directly or indirectly arising out of or related to your use of the Equipment. You further agree to indemnify and hold Follett Products, LLC harmless from any incidental, consequential or special damages suffered by you, including lost revenue or profits, loss of use, or substitute use, during periods of Equipment failure or loss of use.

Governing Law, Entire Warranty

This warranty shall be governed and construed in accordance with the laws of the State of Pennsylvania, USA (except with respect to its provisions regarding conflicts of laws). The warranty described herein is the complete and only warranty for Equipment and supersedes all prior oral or written agreements and understandings that may have existed between us relating to Equipment warranties. The terms of this warranty may not be altered, amended or modified except by a signed writing from Follett Products, LLC. Any purported alteration, amendment or modification by a service agent or anyone else will not be enforceable against Follett Products, LLC.

Charges for Non-Warranty Service or Rejection of Service Visit

In the event that repairs, replacement or service are provided by Follett Products, LLC's service agents for work not covered by this limited warranty, customer agrees to pay the service agent directly according to the service agent's normal scale of charges. In the event Follett Products, LLC is invoiced by the service agent for services not covered under this extended warranty, Follett Products, LLC will invoice customer and customer will pay such invoice based on terms of net 10 days. Customer also agrees to pay any cost incurred by Follett Products, LLC or its service agent associated with a service agent responding to a call for service, but then being refused or unable to gain access to the Equipment on Customer's premises. Failure to submit payment may, at Follett Products, LLC's discretion, result in Follett Products, LLC voiding the balance of the warranty. In no event will Follett Products, LLC authorize service to a customer with an outstanding Non-Warranty invoice.

For parts and service assistance, or to find factory authorized service near you, contact Follett Products, LLC at +1 (877) 612-5086 or +1 (610) 252-7301.

Blast chillers and shock freezers, reach-in – 5 tray, 10 tray and 15 tray

Ice storage, ice transport and ice handling

Follett offers ice storage, dispensing and transport solutions in capacities and sizes to meet nearly every need, with features that can make your ice management easier, safer, and more sanitary.

Warranty

Single door upright bins and single door Ice•Device™ chuted bin and cart systems

Follett Products, LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for the useful life of the product. Parts and labor for corrosion repair are covered under this warranty.

All other integral components are covered against defects in material and workmanship under normal use and service for a period of 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 5 year period are covered under this warranty. For products outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Ice storage and transport systems (ITS); double door upright bins; and double door Ice•Device™ chuted bin and cart systems

Follett Products, LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for corrosion repair within this 5 year period are covered under this warranty. For products outside of the U.S., the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

All other integral components are covered against defects in material and workmanship under normal use and service for a period of 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 5 year period are covered under this warranty. For products outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Ice Pro™ automatic ice bagging and dispensing systems

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. For products outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Slope front bins

Follett Products, LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for corrosion repair within this 3 year period are covered under this warranty. For products outside of the U.S. and Canada, the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

All other integral components are covered against defects in material and workmanship under normal use and service for 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. For products outside of the U.S., the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Ice transport carts; Totes™ ice carriers; ice shovels; ice probes; ice rakes

Follett Products, LLC warrants to the original end user that all parts shall be free from defects in materials and workmanship under normal use and service for a period of 2 years from date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts within this 2 year period are covered under this warranty. Labor required for repair within a 1 year period is covered under this warranty. For products outside of the U.S., the labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

WARRANTY CONDITIONS

- Warranty labor must be performed by the local Follett authorized service provider
- The equipment has been installed and operated in compliance with instructions provided by Follett
- Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond Follett's control are expressly excluded from this warranty
- Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination
- Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
- Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 50 miles (80 km) premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett Products, LLC and are the responsibility of the equipment owner

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship.

Follett LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett Products, LLC, technical service at +1 (877) 612-5086 or +1 (610) 252-7301.

³ 18.00" (45.7 cm) sleeve with window on a 62.00" (157.5 cm) high bin.

⁴ Ships in two sections.

† Purchase orders must clearly indicate the make and model of the ice machine(s) being used with the bin to properly prepare the bin top. Lack of this information will result in a delay in order processing.

Ice•Devlce ice storage and dispensing systems – single door with cart or bagger

Ice•Devlce with SmartCART 75 ice cart

Ice•Devlce with Cambro ICS125L cart

Ice•Devlce with bagger

Labor-saving elevated bins dispense ice out of front chute. For use with cube ice only. Each is equipped with front chute, poly liner, SmartGATE ice shield, poly doors with PowerHinge™ door hinge, 82 oz (2.4 L) plastic ice scoop, paddle and rake set. Full stainless steel exterior and base. All models include a corrosion-resistant ABS/poly top, which is custom cut for ice machine(s).

Configurations shown below include one of the following: SmartCART 75 ice cart with 3 polyethylene Totes ice carriers, each Totes ice carrier holding 25 lb (11 kg) of ice for a total of 75 lb (34 kg); Cambro brand model ICS125L ice cart which holds 125 lb (57 kg) of ice; or a bagger kit with 250 plastic bags of 10 lb (4.5 kg) capacity. Add designator -75 (SmartCART 75), -ICS125L (Cambro) or -BG (bagger kit) to select configuration.

For additional product information, request form# 9720.

Ice storage and transport systems (ITS)

Elevated bin and cart systems use gravity-assist ice removal and castered carts to deliver outstanding labor and safety benefits. For use with Chewblet, cube or flake ice. All are equipped with poly liners, SmartGATE ice shield, and poly door with PowerHinge door hinge component¹. Each unit is standard with bin, base, SmartCART 240 ice cart (1, 2 or 3 depending on the number of bays) with lid and ice paddle. Full stainless exterior and base. Insulated cart is one-piece molded polyethylene with removable poly lid.

For additional product information, request form# 9130.

Flexi-Top ice bin top systems

Flexi-Top ice bin top systems make stocking bins simple – eliminates the need to know what specific ice machine will be used before the order. Available for 48.00" (121.9 cm) and 60.00" (152.4 cm) wide single door uprights and Ice•Device ice storage and dispensing systems. Contact factory for more information.

¹ Requires use of the 4.00" (10.16 cm) chute (item# ABDVCHUT4).

[†] Purchase orders must clearly indicate the make and model of the ice machine(s) being used with the bin to properly prepare the bin top. Lack of this information will result in a delay in order processing.

Ice handling accessories
