EXW Incoterms® 2010 – Wislina, Poland

Follett offers ice storage, dispensing and transport solutions in capacities and sizes to meet nearly every need. All with features that can make your ice management easier, safer, and more sanitary.

Bin capacities are based on cubic capacity and do not include voids that can occur due to pyramiding of ice.

Warranty

Ice storage and transport systems (ITS); single and double door upright bins; and single and double door Ice•Device™ chuted bin and cart systems

Follett LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for corrosion repair within this 5 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

All other integral components are covered against defects in material and workmanship under normal use and service for 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 5 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory. Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Ice Pro™ automatic ice bagging and dispensing systems

Follett LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Slope front bins

Follett LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for corrosion repair within this 3 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

All other integral components are covered against defects in material and workmanship under normal use and service for 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Ice transport carts; Totes™ ice carriers; ice shovels; ice probes; ice rakes

Follett LLC warrants to the original end user that all parts shall be free from defects in materials and workmanship under normal use and service for a period of 2 years from date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts within this 2 year period are covered under this warranty. Labor required for repair within a 1 year period is covered under this warranty.

WARRANTY CONDITIONS

1. Labor warranty will apply only to equipment sold by the Follett Authorized Distributor in his designated territory.
2. Warranty labor must be performed by the local Follett Authorized Distributor or his designated service provider.
3. The equipment has been installed and operated in compliance with instructions provided by Follett.
4. Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond Follett's control are expressly excluded from this warranty.
5. Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination.
6. Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
7. Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 80 km (50 miles), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett LLC and are the responsibility of the equipment owner.

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship. Follett LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett technical service at +1 (877) 612-5086 (US and Canada), +1 (610) 252-7301 or Follett Europe technical service at +48 (58) 785-6140, Fax +48 (58) 785-6159.

See following page for Terms and Return Policy

Terms

- Products for sale meet all regulatory compliances as noted in the appropriate Follett Product Specification Sheet at the time of sale. Customer understands and accepts these products as meeting the designated regulatory compliances.
- Net 30 day terms on approved accounts
- Prices subject to change without notice
- Specifications subject to change without notice
- All prices include stainless steel top, custom cut for specific ice machine(s)
- Purchase order must specify ice machine model to be used with each bin
- This price list supersedes all others
- **All prices in euros**
- **Products priced with EX Works (EXW) term**
- **Other shipping terms available upon request**

Return Policy

Non-standard equipment cannot be returned.

Follett equipment may be returned for credit under the following conditions:

- 1.** The equipment is new and unused.
- 2.** A return authorization number has been issued by customer service within 45 days after shipment.
- 3.** Follett receives the equipment at the factory in Pruszcz, Poland within 30 days after issuance of the return authorization number.
- 4.** The equipment must be returned in Follett packaging. If the packaging has been damaged or discarded, Follett will forward new packaging at the customer's expense.

Note: Return freight charges are the responsibility of the customer. If equipment is returned and is damaged because of improper packaging, Follett LLC will not be held responsible.

Credit will be issued when the equipment has been inspected by Follett and deemed suitable to be returned to stock.

Note: A 20% restocking charge will be deducted from the credit. If the cost to return the product to stock exceeds 20%, the actual cost will be deducted.

Ice Pro automatic ice bagging and dispensing systems

Ice storage bin with automatic agitation to store and dispense cube or Chewblet® ice (made by Horizon™ series ice machines) into bags, carts, pails or Totes ice carrier. Increased labor-savings, sanitation and safety for foodservice operators. Up to 295 kg (650 lb) or 454 kg (1000 lb) storage capacity depending on model. All models are equipped with user-friendly control panel, lockable clear window, adjustable bag stand and insulated poly-molded ice storage area. All models include blower and timed dispense mode for automatic filling of bags. Foot pedal is standard on EDB1000SA and optional for EDB650SA. Each unit comes standard with 1 wicket of 125, 4 kg (8 lb) bags.

For additional product information, request form# 3630 for EDB650SA or 2345 for EDB1000SA.

Accessories for EDB650SA

Foot switch (item# 00115055) € 372

Accessories for EDB1000SA

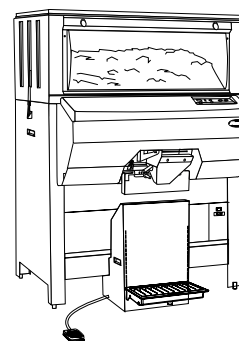

Leg extension kit raises unit by 16.51 cm (6.50") to accommodate carts up to 91.44 cm (36.00") and bags up to 18 kg (40 lb) and 85.93 cm (33.83") high (item# ABLEGEXT) € 638

Reinforced top (required if ice machine(s) weight exceeds 363 kg (800 lb). Add 5.40 cm (2.12") to H).. € 1,397
Drain pan assembly (required for some Vogt and Howe ice machines) no charge

Accessories for all models

Bostitch P-7 C-ring plier for closing bags (item# 00137711) € 194

Staples, blunt end, box of 2500 (item# 00137729) € 56

† Purchase orders must clearly indicate the make and model of the ice machine(s) being used with the bin, to properly prepare the bin top. Lack of this information will result in a delay in order processing.

EXW Incoterms® 2010 – Easton, PA USA

Follett offers ice storage, dispensing and transport solutions in capacities and sizes to meet nearly every need. All with features that can make your ice management easier, safer, and more sanitary.

Bin capacities are based on cubic capacity and do not include voids that can occur due to pyramiding of ice.

Warranty

Single door upright bins and single door Ice•Device™ chuted bin and cart systems

Follett LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for the useful life of the product. Parts and labor for corrosion repair are covered under this warranty.

All other integral components are covered against defects in material and workmanship under normal use and service for a period of 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 5 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Ice storage and transport systems (ITS); double door upright bins; and double door Ice•Device™ chuted bin and cart systems

Follett LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for corrosion repair within this 5 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

All other integral components are covered against defects in material and workmanship under normal use and service for a period of 5 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 5 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Ice Pro™ automatic ice bagging and dispensing systems

Follett LLC warrants to the original end user that all parts shall be free from defects in material and workmanship under normal use and service for a period of 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Slope front bins

Follett LLC warrants to the original end user that the cabinet exterior, including the top and trim, and the interior liner will be free of corrosion for 3 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for corrosion repair within this 3 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

All other integral components are covered against defects in material and workmanship under normal use and service for 2 years from the date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts and labor for repair within this 2 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

Removal of ice machine to service bin and any labor costs incurred are expressly excluded from this warranty.

Ice transport carts; Totes™ ice carriers; ice shovels; ice probes; ice rakes

Follett LLC warrants to the original end user that all parts shall be free from defects in materials and workmanship under normal use and service for a period of 2 years from date of installation. Date of installation shall not exceed 90 days from date of shipment. Parts within this 2 year period are covered under this warranty. Labor warranty will apply only to equipment sold and serviced through a Follett Authorized Distributor in its designated territory.

WARRANTY CONDITIONS

1. Warranty labor must be performed by the local Follett authorized service agent.
2. The equipment has been installed and operated in compliance with instructions provided by Follett.
3. Malfunctions or damage due to alterations, improper operation, outdoor use, neglect, vandalism, fire, acts of God, or any situation beyond Follett's control are expressly excluded from this warranty.
4. Follett reserves the right to require that any parts covered under this warranty be returned to Follett prepaid and verified as defective upon examination.
5. Any damages resulting from shipment of the unit are expressly excluded. Follett advises customers to carefully examine all shipments prior to acceptance and note all potential damage concerns on the appropriate shipping papers.
6. Excess labor charges resulting from security clearance procedures, safety training, travel time greater than one hour or 80 km (50 miles), premium time labor; after hours, weekends, holidays, etc., will not be covered by Follett LLC and are the responsibility of the equipment owner.

This warranty is expressly made in lieu of other warranties, expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose except as provided in the warranty with respect to defects in material and workmanship. Follett LLC will not be liable for any consequential damages, expenses, connecting or disconnecting charges, or any losses or damages resulting from a defect of the machine. Questions concerning this warranty should be directed to Follett technical service at +1 (877) 612-5086 (US and Canada), +1 (610) 252-7301 or Follett Europe technical service at +48 (58) 785-6140, Fax +48 (58) 785-6159.

See following page for Terms and Return Policy

Terms

- Products for sale meet all regulatory compliances as noted in the appropriate Follett Product Specification Sheet at the time of sale. Customer understands and accepts these products as meeting the designated regulatory compliances.
- Net 30 day terms on approved accounts
- Prices subject to change without notice
- Specifications subject to change without notice
- All prices include corrosion-resistant ABS/poly top, custom cut for specific ice machine(s)
- Purchase order must specify ice machine model to be used with each bin
- This price list supersedes all others
- **All prices in euros**
- **Products priced with EX Works (EXW) terms**
- **Other shipping terms available upon request**

Return Policy

Non-standard equipment cannot be returned.

Follett equipment may be returned for credit under the following conditions:

1. The equipment is new and unused.
2. A return authorization number has been issued by customer service within 45 days after shipment.
3. Follett receives the equipment at the factory in Pruszcz, Poland within 30 days after issuance of the return authorization number.
4. The equipment must be returned in Follett packaging. If the packaging has been damaged or discarded, Follett will forward new packaging at the customer's expense.

Note: Return freight charges are the responsibility of the customer. If equipment is returned and is damaged because of improper packaging, Follett LLC will not be held responsible.

Credit will be issued when the equipment has been inspected by Follett and deemed suitable to be returned to stock.

Note: A 20% restocking charge will be deducted from the credit. If the cost to return the product to stock exceeds 20%, the actual cost will be deducted.

Ice storage and transport systems (ITS)

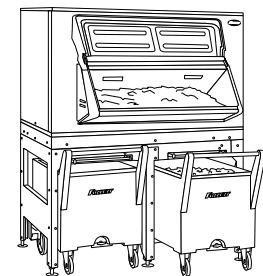

Elevated bin and cart systems use gravity-assist ice removal and castered carts to deliver outstanding labor and safety benefits. For use with Chewblet, cube or flake ice. All are equipped with poly liners, SmartGATE ice shield, and poly door with PowerHinge door hinge component. Each unit is standard with bin, base, SmartCART 240 ice cart (1, 2 or 3 depending on the number of bays) with lid and ice paddle. Full stainless exterior and base. Insulated cart is one-piece molded polyethylene with remove poly lid.

For additional product information, request form# 9130.
