

7 and 15 Series Sanitary Solutions

Touchless SensorSAFE™ kit

- Hold hand over sensors for sanitary, touchless dispensing
- Available as an optional accessory kit for new and existing countertop and floor standing dispensers

Antimicrobial shield

- Covers the capacitive touch interface to improve sanitation when dispensing ice and water
- Disrupts the cell functions of bacteria, yeast, molds, and fungi, inhibiting microbial growth with Agion® technology
- Standard on all 7 and 15 Series models effective September, 2020
- Shields are available in packs of 5 or 50 for application to any existing 7 or 15 Series models
